

**Student Council
Sunnyside Leadership Team**

Dear Parents,

Each year two students are selected to represent our class at the Sunnyside Leadership Team, also known as, student council.

The Leadership Team will meet one morning each month. Parents will need to bring students to school on meeting days.

Students interested must be responsible, have good behavior in class, be able to take notes at the meeting, and be able to stand up in front of the class and share the information they gathered from the meeting.

The selection process will be as follows. Any student that is interested must discuss the need to have a ride to school once a month with their parents. Parents and students must sign below and return the note to school. All slips will be put into a hat and 2 names will be pulled out. Those 2 students will be our Leadership Team representatives.

**Sincerely,
Kristen Stanoch**

_____ would like to have a chance to be in the Sunnyside Leadership Team.

I understand I would need a ride to school one day a month.
